

# Volunteer Vignettes

**Volunteering makes a difference in our community!** Thank you to all of our volunteers for the work you do year round to brighten the lives of those we serve.

## Lunch is in session

*Judges from the Minnesota Court of Appeals and staff from the Minnesota Judicial Branch prepared and served their annual BBQ lunch including grilled burgers with all the fixings the Friday before Memorial Day. We are so thankful to the judges, justices, and staff of the appellate courts who have served nearly 7,000 meals over the years!*

## Best Buy gives back

*A great group of volunteers from the Global E Commerce, Category Management and Creative Services teams at Best Buy came to Catholic Charities' St. Joseph's Home for Children and spruced up the grounds for the summer months. The team was busy with landscaping projects including planting flowers, weeding and laying mulch.*

## Deloitte makes an impact

*For the ninth year in a row, Deloitte returned to Catholic Charities' Northside Child Development Center for their annual national Impact Day. Volunteers conducted activities with children, did some deep cleaning of vans, organized closets, painted and provided a BBQ lunch for the children and staff.*

## SpartanNash makes a difference

*As part of SpartanNash's fifth annual Helping Hands in the Community Day on June 29, a group of the company's associates came to St. Joseph's Home for Children where they painted the dining room.*
