

## Resource Page for Fair Trade and Sustainable Economies

**Catholic Relief Services Ethical Trade** <http://ethicaltrade.crs.org/>  
Education, advocacy, and access to ethically produced products.

**Catholic Rural Life** <https://catholicrurallife.org/>  
National nonprofit focused on ethical food and agriculture; rural outreach and ministry; and instilling a sense of wonder and responsibility for the natural world.

**Center for Sustainable Economy (CSE)** <http://sustainable-economy.org/about-us/>  
Environmental economics think tank that works to speed the transition to a sustainable society by analyzing the impacts of public policy, programs, and projects; developing creative solutions for government agencies, businesses, non-profits, and educators; and providing expert support for legislative, administrative, and legal campaigns.

**Fair Trade Federation** <http://www.fairtradefederation.org/>  
Trade association that strengthens and promotes North American organizations fully committed to fair trade. The Federation is part of the global fair trade movement, building equitable and sustainable trading partnerships and creating opportunities to alleviate poverty.

**Heifer International** <https://www.heifer.org/about-heifer/index.html>  
Helps bring sustainable agriculture and commerce to areas with a long history of poverty.

**Institute for Agriculture and Trade Policy** <https://www.iatp.org/about>  
Committed to advancing policy solutions—locally and globally—to some of the world’s most complex problems in order to promote resilient food, farm, and trade systems.

**Minnesota Fair Trade Coalition** <http://www.citizenstrade.org/ctc/about-ctc/ctc-member-organizations-state-coalitions/minnesota-fair-trade-coalition/>  
Coalition of more than 40 Minnesota labor, faith, environmental, social justice, and family farm organizations striving to create respect for working people, family farmers, our environment, and our democracy as an integral part of the global economy.

**Minnesota Food Association** <http://www.mnfoodassociation.org/our-mission>  
Builds sustainable food systems based on social, economic, and environmental justice through education, training and partnerships.
