

Welcome to the University of St. Thomas. Guests attending the "Zip Codes: Destination or Destiny?" are to park in Anderson Parking Facility (APF). It is located just west of Grand Ave. at Cretin Ave. S.

Please do not take a parking ticket. Instead, swipe your credit card in to enter and out to exit. Do not take a ticket.

The event you are attending is in Anderson Student Center (ASC). See the yellow highlighted route on the map.

Most of the streets around St. Thomas require a city permit. Out of courtesy to our neighbors and to avoid a city parking violation or an on campus ticket, please only park in APF and not on the city streets or other on campus locations.
